Kia ora koutou e te whānau

Holy Week begins on Palm Sunday as Jesus is welcomed to Jerusalem amid palm fronds and praises. The excitement quickly gives way to solemnness, and we enter deeply into Christ's suffering. By the evening of Holy Thursday, Lent

technically ends and the Triduum begins. Our 40 days of prayer, fasting and almsgiving have led us here. In fact, the whole Church year builds to the Triduum (which means three sacred days).

We invite parents to join us on Thursday for our Holy Week service. This will begin at 11.30 in the Tumu Hub. We will have an early lunch at 12pm followed by House group activities in the afternoon.

Gold Coin for Caritas

As part of

almsgiving for Lent we ask each child to bring a gold coin donation for Caritas. Caritas Aotearoa New Zealand is the Catholic Bishops’ agency for justice, peace and development. We are working on behalf of the New Zealand Catholic Bishops Conference for a world free of poverty and injustice through community development, advocacy, education and emergency relief. Children can bring their gold coin in from Monday through to Thursday and hand to their homebase teacher. The gold coin will be used in an Easter Egg coin toss on Thursday afternoon.

Parish service times throughout the Triduum are as follows:

Wednesday 12th April

Childrens Station of the Cross 3.20pm

Thursday 13th April

Mass of the Lord’s Supper 7pm - finishing with Night Prayer at 8:30pm

Good Friday 14th April

- Stations of the Cross at 10am.
- Passion of the Lord – Midday & again at 3pm

Easter Sunday 17 April

- Vigil Mass (Saturday) 8pm
- 7:30am – 9am – 10:30am & 5pm

Most Likely to Succeed

On Monday 10 April, at 7pm we will be hosting a screening of the film Most Likely To Succeed.

“The topic of this film is school — both its past and its future. The film inspires its audiences with a sense of purpose and possibility, and is bringing school communities together in re-imagining what our students and teachers are capable of doing. After seeing this film, you’ll never look at school the same way again.” - <http://www.mltsfilm.org/>

This event will be free however we will be issuing tickets for this event and they will issued on a first in first served basis.

Book your free tickets on this link.

New Parent Information Session

Today we held our first New Entrant Parent Information Session - thanks so much to all who came to join us. We enjoyed meeting our new families that will be joining our school community and reconnecting with those who have already started.

We have just created a digital A-Z of Information for Parents resource and we shared this at the meeting this morning. This is a place where you should find answers to all your questions. We have linked it on our website and it can be found under the the Our School tab. [You can access the link here.](#)

The presentation with the information from this morning can be found under the Our School tab as well.

Raincoats

The rainy weather this week has pointed out to us the high number of children coming to school without raincoats. Even though many of the children arrive by car, they still need raincoats at school for all of the moving around the school that they do. Please ensure that your child has a named coat at school on rainy days.

Drainage Works on Tay Street

Tay Street Drain improvement works to start soon

March 2016

Contractor Seipp Construction will next month start works to upgrade the Tay Street Drain network. These works are part of the Council's Land Drainage Recovery Programme (LDRP) project, aiming to reduce flood risk in the Dudley Creek catchment through increasing the effectiveness of the land drainage network during significant rainfall events. The works will also maximise the operation of the Tay Street Drain Pump Station in Kensington Avenue in a 1-in-50-year rainfall event.

This work will include:

- **New pipe work through St Francis of Assisi School**
- A new pipe network along Thames Street and Norah Street
- Tay Street Drain open channel improvements

***Please note** - more information on this can be found on the school website, on the newsletter and has also been emailed to you.*

Safety of our Children

Please make sure when bringing your children into school in the mornings to close the gates behind you. We need the gates to be closed to ensure that no students wander out into the carpark - Please do not push the gate so that it stays open.

Road Patrol

More helpers are needed urgently, please contact Phil Bell, email phil.clarebell@gmail.com.
Thanks

Drop Off Zone

Please note the drop off zone on Innes Rd is for exactly that - dropping off and picking up children - you must not leave you car there while you walk in and get your children - you can't leave your car unattended. There are some parents parking and leaving their cars there and this is extremely inconvenient for those who wish to use it properly. Also a reminder that you must not park on the yellow lines, nor come into the Parish carpark. These rules are for your children's safety - please abide by them.

Norah Street Parking

Please note there is **no parking** on the short right of way off Norah Street that leads to the back field entrance. This area is for residents only. It is also very dangerous for the children who walk into school this way to have cars trying to drive into this area. Please park out on Nancy Ave.

PTA Cheese Roll Fundraiser

Attendance Dues

Attendance Dues – DUE BY DATES. Some of you have expressed confusion as to why the parish has a due by date on our invoices.

As you are aware, the parish invoice you on behalf of the Diocese, for the Attendance Dues/Special Character Contributions for each child attending a Catholic School.

What you may not be aware of is that the parish then receives an invoice from the Diocese for approximately \$22,000 which we are required to pay by a certain date.

We put a due by date on our invoices to ensure the parish has the funds to meet the Diocesan Invoice for your children at St Francis of Assisi Catholic Primary School.

The 2017 due by dates are 20th February, 20th May, 20th August & 20th November. As always, if you have any queries or are having difficulty paying your account, please get in touch with the parish office. Phone 385 3459.

Our Parish St Vincent de Paul needs you.

The parish St Vincent de Paul Conference covers the largest parish geographical area and receives on average 200 calls a month for assistance. Due to illness and age we now have

CHOOSING TO BE AN INNOVATIVE CATHOLIC LEARNING COMMUNITY THAT

very few people in our team who are able to deliver food parcels to those in need. Are you available during the day and have your own transport? Please consider joining our busy team in this very important work. Full training will be given. Please contact Kirsten in the parish office if you are interested in finding out more.

Olympic Schools Program

St Francis of Assisi School has registered on the Olympic Schools Program. ANZ and the New Zealand Olympic Committee are proud to support St Francis of Assisi School in its mission to inspire and motivate young New Zealanders to achieve excellence through the Olympic Schools Programme.

The Olympic Schools program has been developed by ANZ with the NZ Olympic committee to inspire & motivate NZ's youth. Your school will be provided with resources & merchandise to provide opportunities, activities & incentives for students to live the Olympic values.

How does it work? When a Home Loan or business loan is drawn down by any parent, teacher or friend of St Francis of Assisi School the school will receive 800 credits to redeem at the ANZ Awards centre. The awards centre has a variety of items ranging from sports equipment to the latest computer technology. The school will receive 800 credits for every successful drawdown of a new Home Loan, business loan or top up with ANZ over \$50000. 800 credits equates to \$400 of purchasing power in the ANZ awards centre. When your first loan is drawn an Olympian will come to your school & work with the teachers to deliver a memorable Olympic experience for all students.

Your school can also request personalised letters of encouragement from an Olympian. These will be written directly to a nominated student and will recognise individual student potential and provide added encouragement to them in their pursuit of excellence, whether academic or sporting.

The person drawing down the loan just needs to contact myself or let the staff member at ANZ know they want the credits to go to your school. We will then register the points. We will send you a statement of your points every 2 months.

How can I find out more?

Please contact Rebecca Snelgar at ANZ Merivale branch on 368 2489 for more information or rebecca.snelgar@anz.com
