

Hi Parents

Wearable Arts Models and Kapahaka performers

All went well at the rehearsal today. The students have been shown where pick up and drop off is and I include a photo for you.

The students need to be at the performers entrance where we will meet them at 6.15pm. This door to the left of the external ticketek booth. We will give them their security bands at this door.

At the end of the evening you can pick them up from this entrance as well. We will not release any student without the parent being present.

Thanks

I include my cell phone number incase any issues arise.

027 2977 307
